ALPA-PAC: Professional Insurance for ALPA Members

ALPA-PAC helps elect pro-pilot candidates to Congress, educate lawmakers about pilots’ professional concerns, and enhance ALPA’s ability to achieve its legislative goals.

ALPA-PAC is made up of voluntary contributions from U.S. ALPA members.

ALPA-PAC provides financial assistance to the campaigns of representatives and senators who will support and defend the professional interests of ALPA pilots.

ALPA-PAC is the only way ALPA national participates in the federal election process; ALPA national does not use any member dues money for this purpose.

ALPA-PAC is one of the most bipartisan labor PACs in Washington, DC. It supports candidates from all political parties and does not base its support on political party affiliation.

ALPA-PAC considers only legislative issues of professional interest to its members. It does not consider issues that are not relevant to ALPA or its representation of airline pilots.
