

URGENT News

From Your JetBlue Master Executive Council

June 06, 2017

Fellow Pilots,

We recently reported that on May 31st the ALPA Executive Council unanimously approved the budget for our MCF (Major Contingency Fund) grant. This \$2.5 million dollar grant ensures we have ALPA's financial support to execute our strategic operations during the end-game stages of negotiations. The grant supports traditional union tactics which include but are not limited to; rallies, family awareness events, informational picketing, and media campaigns (*billboards and other public forms of advertising*).

We invite you to [read the attached press release that your MEC prepared in support of the grant.](#)

Your MEC will continue to use a time-tested, solid strategy to ensure that we will secure a market rate **#CONTRACTABOVEALL** that we can all be proud of in a timely manner.

In Unity.
